New York, Dec. 25.—The army transport Carrillo arrived today from Bordeaux with twenty-four officers and twelve men. Maj. W. A. Marden of the 127th infantry was aboard. The

steamship Amaleo arrived from San Juan with eight members of the crew of the schooner Ella M. Willey, 725 tons, of Rockland, Maine, which went ashore at San Juan November 13. The schooner was coal laden from Norfolk and was a total loss.

Appreciation

The Spirit of the Season

prompts us to express to you our appreciation of the business entrusted to us during the Past Year.

Our Wish Is

that throughout the coming year you may receive from others the same courteous consideration that you have so generously accorded us.

A Merry Christmas

CHEAP JACK

There's a Salesman from Virginia

who was chewing and swapping yarns with the men on the Post Office corner. "Have a chew," says he to Jake. Jake doesn't think he's chewing unless his cheek bulges out like he had the mumps. "Call that a chew?" he snorts. "Sure!" says the

salesman. "This is Real Gravely. That small chew satisfies, and the longer you chew it the better it tastes. That's why it doesn't cost anything extra to chew this class of tobacco."

It goes further—that's why you can get the good taste of this class of tobacco with-out extra cost.

The Commercial Sales Company Announce a Great REORGANIZATION SALE!

OF THE ENTIRE
\$40,000

GREENBAUM STOCK

605 KANSAS
AVENUE

OF LADIES' SUITS, COATS, DRESSES, SKIRTS AND MILLINERY

Adverse business conditions prevailing during the present season, due to the recent "flu" epidemic and other causes have made it necessary for the Greenbaum store to place its entire stock in our hands for immediate disposal. Circumstances are such that no mere "stock-reducing" or "end season" sale would answer the purpose—this entire stock must be closed out at once to pave the way for a complete reorganization of the business. Our methods call for quick results—we take over a stock, conduct the sale and close out all goods on hand in the shortest possible time. Former costs of stock are of no interest to us—it is our business to close out in its entirety any stock turned over to us to sell—and we make prices that will insure this result as soon as possible. This we intend to do with the Greenbaum stock—our ability to handle the buyers rapidly will determine how long it will take to close out this stock.
